

N/A presents:

**Santa Clara Valley 99's Flying Companion Seminar-URGENT:
DATE CHANGED FROM 09/28 TO 09/29/12.**

This is a FEE event see link below to pay and register. The annual Flying Companion Seminar is designed for right-seat passengers who want to know more about flying and what happens during a flight. This all-day session will teach the non-pilot how to be an effective cockpit member, and addresses and helps calm fears about flying. Our chapter has been offering this popular seminar for over 20 years. This is one of the only Flying Companion Seminars in northern California.

This year's topics include:

- Feelings About Flying: how to feel more comfortable in the cockpit
- Aerodynamics: how and why a plane flies
- Radio procedures: how to use the radios and about emergency frequencies
- Navigation: how to read charts and help navigate
- Preflight: what is the purpose and how to do one on an actual airplane
- Aviation Instruments: what those gauges can tell you
- Checklists: what are they for and how can the passenger help with them
- Medical Facts for Pilots
- Fun Places to Fly

Directions: Take Highway 101 to the Embarcadero East exit in Palo Alto. Go through 2 stop lights and then look for a golf course on the left. At the end of the golf course, turn left into the airport (if you reach a 3-way stop sign, you went too far). West Valley Flying Club is straight ahead through the trees.
